Editors Notes

I hope you all had a fantastic Summer, I don't want to frighten anyone but it's that time again! We need a seasonal photo or drawing for this years Christmas Card. I know it seems early but in order to collect everyone's messages and get them printed in time for delivery with the December/January edition of the Ecton View on Saturday 1st

December, we need to get cracking!!!

All the money raised goes to fund the Christmas Lunch for all residents and friends of Ecton over the age of 60.

So if you have a photo of your pet in a Santa hat! Or a snowy scene of Ecton (from last year or whenever) or you are feeling artistic and can whip up a work of Art, please get them too me as soon as possible, and any willing volunteers to help Denise collect messages and money please step forward.

You can also text or email messages to me on 07986 557773 & swippets@hotmail.co.uk. So no excuses, I'm determined to get 100 messages into the card this year!

Until next month.

Wendy

Open Rectory **Saturday 11th August 2018**

A dry day, between two wet days, was a real blessing for the Open Rectory Event this year. The usual stalls and refreshments were set up, alongside games and plenty of seats outside for all who came. Thank you to everyone who helped with the setting up, running of stalls and clearing away at the end, it is only with such support that events like this can take place. Thank you also to everyone who came or gave donations, at the time of writing £551.45 has been raised, which will be split between the three churches in the benefice.

Rector's Letter September 2018

The month of September brings with it thoughts of autumn and harvest time, although with the hot weather this summer many fields have long since been cut and the grain safely stored. Many traditions surround harvest time and not least the singing of the well-known hymn *We plough the fields and scatter*, although you may be surprised to discover that its origin is not the countryside of England, but that of Germany and was written by Matthias Claudius (1740-1815).

Claudius was born in Reinfeld, the son of a Lutheran Pastor, who was originally destined for the same profession as his father. However, a spell of ill health and influence from his University combined to change his course in life and he became a journalist.

After a period of atheism, he renewed his Christian faith and wrote the hymn *We plough the fields and scatter* to be used in a play he had written about Harvest Thanksgiving in a North German village.

The original version had seventeen verses with a refrain to each, but when published was reduced to six verses with a chorus. It was this version which was translated into English in 1861 by Jane Montgomery Campbell (1817-78). Miss Campbell's version, while altered slightly for inclusion in the English Hymnal, is still sung at most Harvest services across the country today, to give thanks to God for all He provides.

This year the Harvest services in the benefice are as follows:

Sunday 16th September 10am All Age Communion Service - St Mary Magdalene, Ecton

Sunday 23rd September at 9am Communion Service - St Mary the Virgin, Wilby

Sunday 23rd September 11.15am Communion Service - St Nicholas, Great Doddington

The services will of course include traditional harvest hymns and the bringing of our harvest gifts to the altar. The gifts will then be given to the Daylight Centre and Food Bank in Wellingborough.

Harvest meals are planned for **Saturday 22nd September 7pm** at George and Debbie's home, Wilby and **Saturday 29th September 1pm** in Great Doddington Memorial Hall. Please see posters for more details.

Everyone is welcome, and I look forward to seeing you at one or more of these celebrations.

Yours in Christ,
Revd. Jackie Buck

The ambition of Macmillan Cancer Support is to reach and improve the lives of everyone affected by cancer in the UK. It's a sobering thought that one in three of us will suffer from cancer at some point in our lives and often it is the toughest challenge any of us could face.

Ecton is joining the World's Biggest Coffee Morning on the Friday 28th September between 10am and 1pm in the Church to help raise funds for this worthy cause.

Donations of cakes for a cake stall would be gratefully received either on the day in church or before to 34 West Street. (Joy Bond Tel: 948040)

DB SYMMETRY APPEAL LAND SOUTH OF KETTERING (off A509 north of Isham).

We are sure you will be aware, as is heard regularly on the likes of Radio Northampton that Isham continually suffers from heavy traffic travelling between Kettering and Wellingborough on the A509.

Isham is not uncommon in terms of increased amounts of traffic but the volume of traffic is now enormous. Every year we carry out a 24 hour traffic survey and the one undertaken last November showed traffic volume for the day being in excess of 27,500 vehicles which taking into account lower volumes at weekends equating to circa 8,500,000 vehicles per annum and rising.

The Joint Core Strategy envisaged a by-pass by 2019 but due to the state of our local government this will not happen at this time and we cannot foresee a date when it will. This does not of course prevent our local governments in approving more and more developments with no or little improvement or provision of new infrastructure or seeming any care for those that they inflict this upon.

A large distribution area is set out in the Joint Core Strategy next to Isham and a planning application was submitted last year, we campaigned strongly against it without the provision of a by-pass and with the support of some adjacent Parishes the application was refused.

Whilst the non-provision of a by-pass is a big Isham problem it also affects many surrounding parishes as they become 'rat runs' for those wishing to avoid the Isham problem.

The applicant has now appealed the refusal of their application and you will see from the attached notification from the Planning Inspectorate that submissions are to be made by the 17th September 2018.

We have asked the Borough Council of Wellingborough and our MP for support at the Inquiry but for various 'reasons' support will not be forthcoming and therefore this is down to us. We know that fighting the application will be difficult because the applicant will engage very professional people, can afford to spend lots on it whilst we are inexperienced and don't have the necessary financial clout.

But, what would assist is for people to stand up and be counted and provide their own views, experiences and worries about the situation and we would therefore ask if your Parish and Parishioners could support us and write to the Planning Inspectorate by the 17th.

If you have any particular questions please do not hesitate to contact us.

Mrs A McLaven, Isham Parish Council.

Pimm's Hamper Raffle

Many thanks to Kathy and friends for organising another fantastic raffle, part of the 'year long' fund raising events at the Three Horseshoes. This year the chosen charity is Prostate Cancer.

This raffle raised £126 towards the grand total, to be announced at the end of the year.

We were lucky enough to win this super hamper with ticket No 236, at the weekend, and as we were heading off to another annual fundraiser, I'm glad to say it helped raise another £200 towards a good cause.

Join us on Saturday 20th October for more fun and fundraising at the annual Craig Wright Skittles Knockout at the Three Horseshoes.
