COMPLAINTS PROCEDURE

Ecton Parish Council aims to provide an efficient and courteous service to our residents. There will be occasions when, due to our limited local government powers and funding, we may not be able to give you the outcome you require but you should be satisfied that your enquiry has been treated correctly.

If you have not been satisfied with the service you have received, then please read the details below to ascertain how to proceed with a complaint. It is our policy to ensure that all parties are treated fairly and the process should be reasonable, accessible and transparent.

HOW TO MAKE A COMPLAINT

1. Any complaint about an employee of the Council (e.g. the Clerk) will be dealt with as an employment matter. As a complainant, you can rest assured that the matter will be dealt with internally and appropriate action taken. You should write to the Chair of the Parish Council, c/o the Clerk.
2. Any complaint about an individual Councillor is now subject to the jurisdiction of the Monitoring Officer of North Northamptonshire Council - Wellingborough Area. You should therefore refer your complaint to the Monitoring Officer, North Northamptonshire Council - Wellingborough Area, Swanspool House, Doddington Road, Wellingborough. NN8 1BP.
3. If your complaint is about the administration of the council or its procedures, then you should follow the process as outlined below -
 - a) In the first instance, you should always raise your complaint with the Clerk to the Council, either by writing to the Parish Clerk at 33 Friars Avenue, Delapre, Northampton. NN4 8PY or by e-mail to clerk@ectonparishcouncil.org.uk or by telephoning 01604 700691. Wherever possible, the Clerk will try and resolve the problem for you or advise you of the authority who can assist you.
 - b) If you are not satisfied with the response that you have received at the initial stage and wish to pursue a formal complaint, then the Parish Council has a dedicated 'Complaints Committee' who will meet with you to deal with the matter. (The guidelines overleaf will explain clearly how this is undertaken).
